

Tifaro Consulting s.r.l.

Leader nella consulenza e
management in Europa

1. Who We Are

- Tifaro Consulting s.r.l. is a consulting and management firm based in Romania and operating across Europe. Founded in 2019, our mission is to help businesses overcome economic challenges and regain competitiveness. Our core values include integrity, innovation, and dedication to the success of our clients.

2. Presence in Europe

- We operate across Europe, with expert teams in various countries. This enables us to provide localized solutions tailored to the specific needs of each market, ensuring tangible and long-lasting results.

3. Services Offered

- We offer a comprehensive range of consulting and management services, focusing on strategic sectors to maximize value for our clients. Our services include personalized consulting, acquisitions, corporate restructuring, and strategic resale.

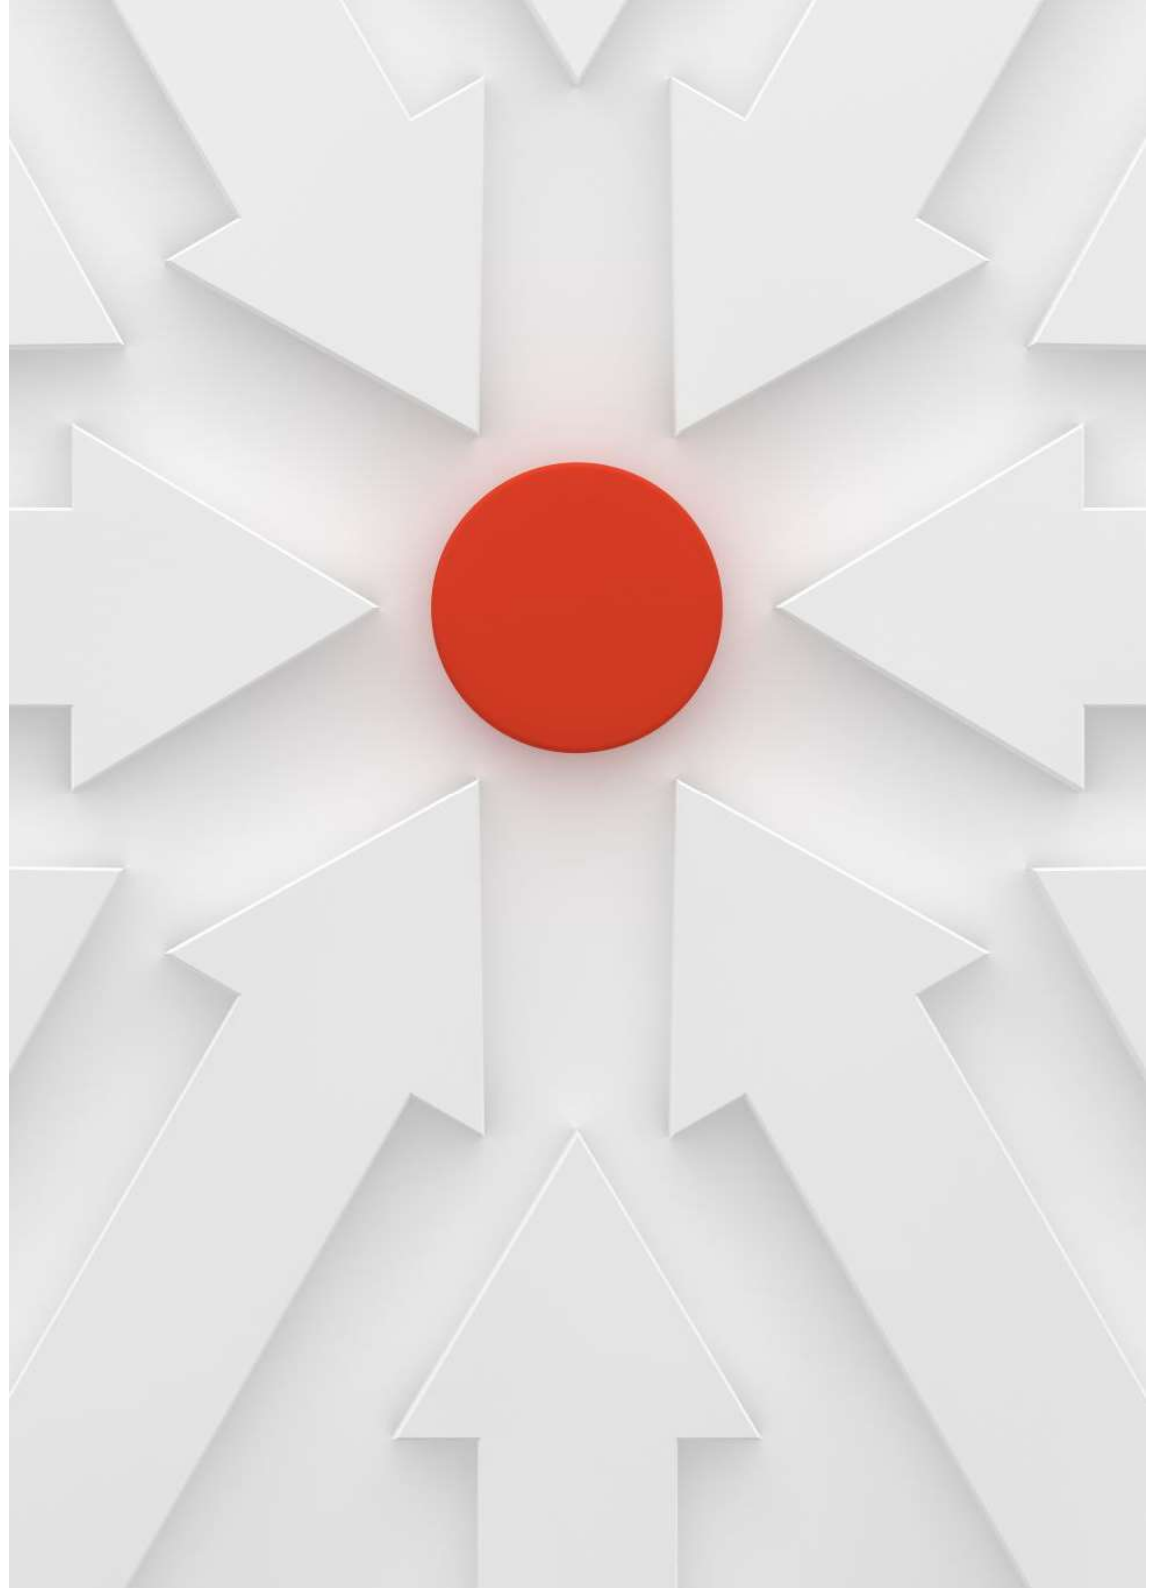

4. Consulting and Management

- We provide personalized consulting to improve business operations, develop new growth strategies, and optimize resources. Our data-driven approach enables our clients to make informed decisions for long-term success.

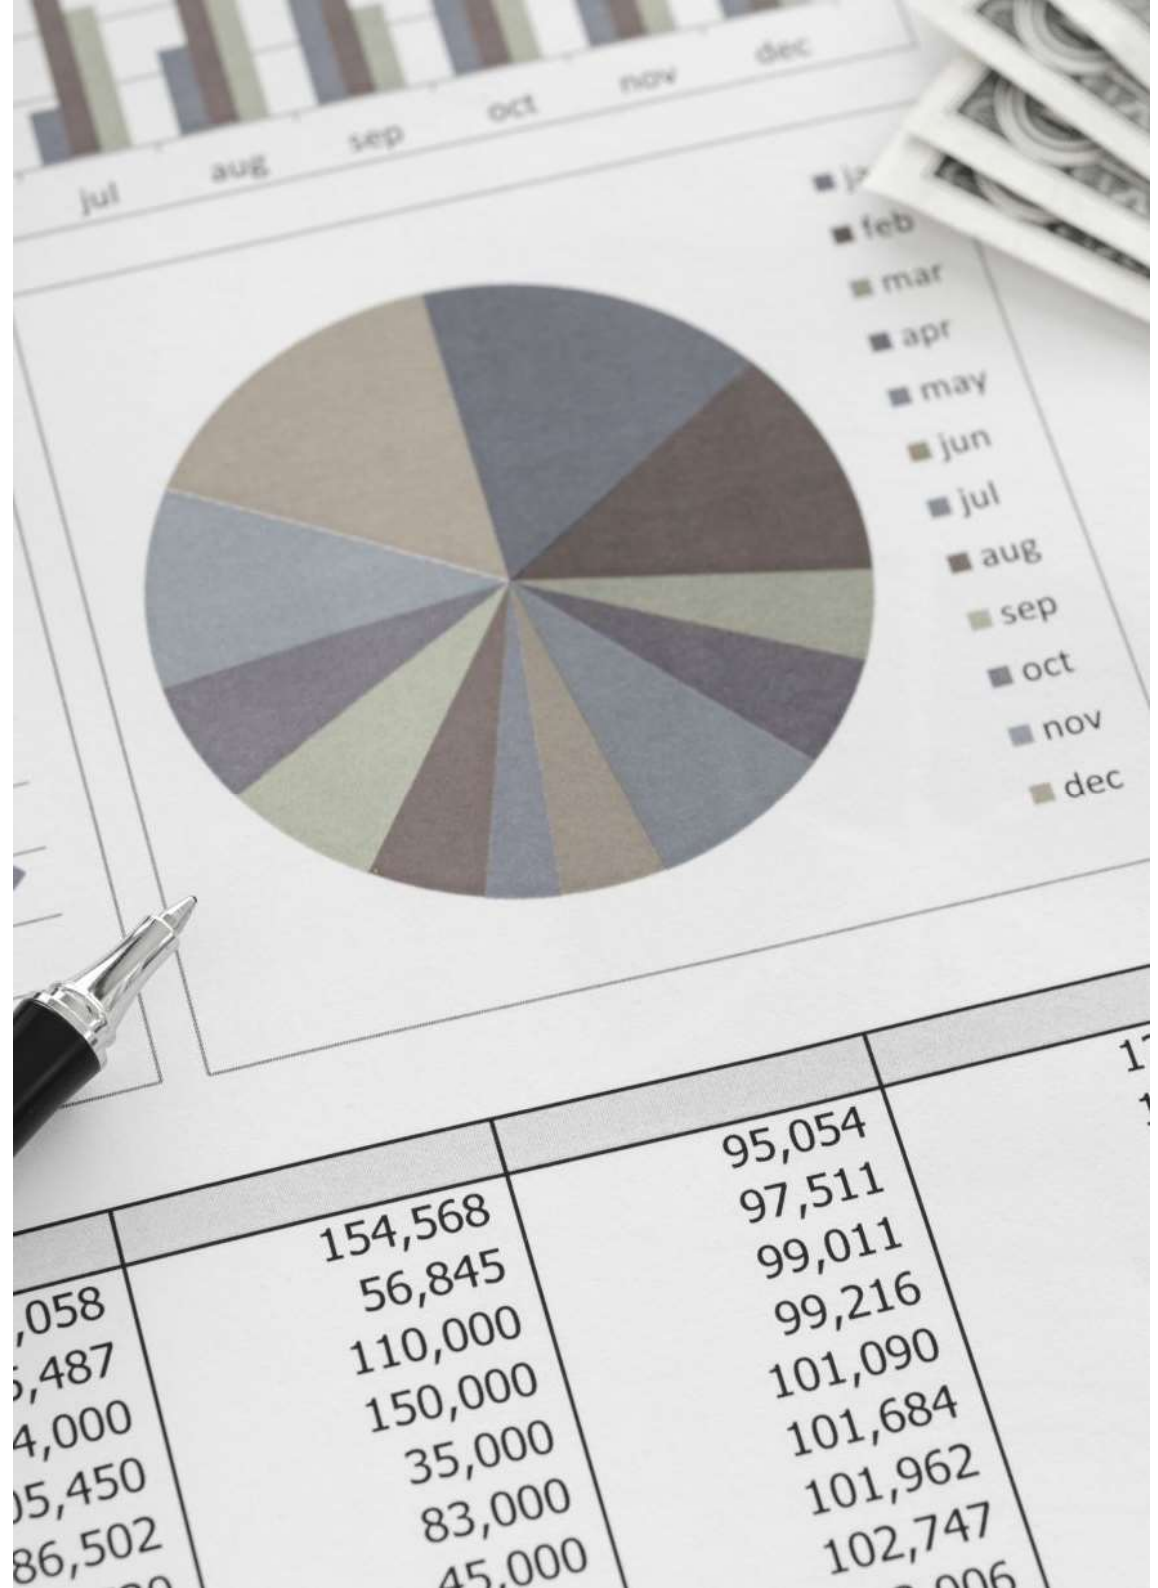

5. Acquisitions

- We identify acquisition opportunities for struggling companies, assess growth potential, and implement turnaround plans. Our goal is to transform unprofitable businesses into competitive and profitable entities.

6. Corporate Restructuring and Repositioning

- We reorganize and restructure companies to improve efficiency, ensuring a new competitive position in the market. We employ innovative strategies to help businesses successfully face market challenges.

7. Resale of Companies

- After restructuring, we maximize the value of companies through targeted sales processes, ensuring returns on investment for our clients. Thanks to our expertise, we can position companies to attract high-profile investors.

8. Our Approach

- Our approach is highly personalized and adapts to the specific needs of each client. With our network of experts across Europe, we can offer flexibility and dynamism, delivering innovative and tailored solutions.

The background of the slide features a series of parallel diagonal lines in black and white, creating a sense of depth and movement. On the right side, the edge of a spiral-bound notebook is visible, with its pages fanned out, adding a tactile and professional feel to the design.

9. Case Study 1

- We helped a manufacturing company overcome a financial crisis with a restructuring and relaunch plan. In less than 12 months, we improved revenue by 25%, enabling the company to return to growth.

An abstract composition of various geometric shapes. In the top left, there is an orange right-angled triangle. To its right is a teal semi-circle. Below the orange triangle is a teal circle. In the center, there is a large red semi-circle. To the right of the red semi-circle are two vertical purple bars. In the bottom left, there is a large red circle. To its right are several small purple shapes: a horizontal bar, a diagonal bar, a diagonal bar, and a small vertical bar. In the bottom right, there is an orange L-shaped bracket.

- In another project, we worked with a technology company to improve operational efficiency and expand its customer base. Through expansion strategies, we helped the company enter new international markets.

11. Contacts

- For more information or to discuss our tailored solutions, you can contact us via email at: info@tifaroconsulting.com. We are available for consultations across Europe and committed to providing timely and high-quality support to our clients.
